

3rd Year Student Representative for our Admissions Committee

Dear Students,

We are currently in the process of looking for a 3rd Year Student Representative for our Admissions Committee. The Committee usually meets approximately 5 to 6 times per year. This is a two year mandate. There is also a 4th year student currently sitting on the committee.

Responsibilities of a Student Representative:

- attend and actively participate as a Student Representative to scheduled Admissions Committee meetings throughout the academic year (proposed dates for this year are October 11th, February 14, March 28th, April 25th and June 13th);
- accurately and objectively present the views of the student body;
- provide feedback/suggestions in regards to the Faculty's admissions process;

If you are interested and want to volunteer for this position, you must submit a short explanation as to why you wish to sit on this committee as a student representative (150 words max.) **by Tuesday, October 1st**. A decision should normally be made by the Committee before our first meeting in October. Please note that as a third year student, you might not be involved in the interviewing process as usually only fourth year students get to interview applicants.

Thanks.

Marie-Claude
