

## Anatomy Prosection Program Bursaries

The deadline to apply for the 2014 Anatomy Prosection Program is 4:00 PM on Monday, February 24.

First-year undergraduate students in Medicine and Dentistry are eligible to apply. The program involves 4 consecutive weeks of full-time work (35 hrs/wk) conducted between the end of June and the end of July.

A total of 4 prosection bursaries will be allocated to students in Medicine and Dentistry. Each award is valued at \$1,350. Prosection bursaries are awarded on a competitive basis whereby marks received for the first 2 Anatomy lab practical exams will be considered.

An application form is available at: [www.mcgill.ca/medresearch/undergraduate/anatomy](http://www.mcgill.ca/medresearch/undergraduate/anatomy)

Your application form must be signed and submitted in person to the Research Office (McIntyre Building – Rm 637). Handwritten applications will not be accepted.
