

UNIVERSITÉ  
**LAV**AL

FACULTÉ DE MÉDECINE DENTAIRE  
QUÉBEC, CANADA

## FULL-TIME TENURE-TRACK FACULTY POSITION IN PROSTHODONTICS

### DESCRIPTION

The responsibilities for this position will include teaching at the predoctoral and postdoctoral levels, research and service activities in the field of prosthodontics at the Faculty of dental medicine, and contributing to the development of clinical research and knowledge in this area. The position also includes the opportunity to participate in the faculty intramural practice.

### SELECTION CRITERIA

Candidates should be competent in preclinical and clinical teaching of fixed, removable and implant prosthodontics. Research experience and ability to contribute to clinical research and to collaborate with other researchers in different fields will be highly considered.

Applicants must have :

1. a DMD or DDS;
2. a regular license to practice dentistry from the Québec Order of Dentists, or be eligible for it;
3. a Certificate in prosthodontics recognized by the Québec Order of Dentists, or commit to obtain one;
4. a Master of Science degree (minimal requirement), or commit to obtain one;
5. the ability to **teach in French**, or make arrangements for this within reasonable time.

**Position starting date** : September 1, 2014

**Application deadline** : April 15, 2014

Interested individuals should submit, by regular or electronic mail, a letter of interest, a CV, and contact information for three professional references to:
