

## **Volunteer Opportunity**

Dear Students,

I am looking for a student volunteer to compile and "enhance" all table clinic presentations my students have produced under my supervision .

We plan to upload these on Research Gate to give the deserving students some visibility.

If you are interested, please email me at: [jean-marc.retrouvey@mcgill.ca](mailto:jean-marc.retrouvey@mcgill.ca)

Thanks,

Dr. Retrouvey
