

MITACS Funding Opportunities

Mitacs is pleased to announce national funding and training opportunities to faculty members, students and postdoctoral fellows.

Please note the deadlines for submissions in each call.

Mitacs Elevate PDF

- **Deadline: June 12, 2013**
- Mitacs Elevate PDF funds recent PhDs conducting research with industrial partners.
- Fellowships consist of a 2 year peer-reviewed research project, supplemented by leadership and management training
- This program is open to all PhD holders regardless of nationality

For more information, please visit <http://www.mitacs.ca/funding-opportunities> or contact your local [Mitacs Representative](#).

Mitacs Globalink Summer 2014 Research Project Proposal – Access top-quality international undergraduates

- Host a senior undergraduate student for a 10-12 week research internship
- Students are carefully chosen for excellence and matched to your research needs
- All students are from a top-tier university in Brazil, China, India, or Mexico
- All travel, accommodation, living expenses, logistics are handled by Mitacs
- Globalink students who wish to return for graduate studies may be eligible for a substantial stipend (only available at participating universities)
- **Application deadline July 31, 2013**

For more information, please visit <http://www.mitacs.ca/globalink> or contact your local [Mitacs Representative](#).

REMINDER OF OTHER FUNDING OPPORTUNITIES

Mitacs-Accelerate Program

- Funding available through Mitacs Accelerate to collaborate with industry on *research or development-focused* projects

- Projects undertaken by grad students and post-docs from ALL disciplines
- Applications accepted throughout the year

For more information, please visit <http://www.mitacs.ca/accelerate> or contact your local [Mitacs Representative](#).

Best wishes,

Tracie
