

## Interview teams for incoming Dent-P and DMD Candidates

A message from Ms. Marie-Claude Loignon, Admissions and Recruitment Officer:

Dear Students,

As you know, the admissions process is of fundamental importance to the health of our Faculty and, in the long term, to the success of the dental profession as a whole. We are currently looking for individuals who would be available to help conduct interviews. Your involvement is critical to this effort.

Each of our interview teams is composed of a researcher, clinician and senior dental student. And each member of the team is expected to bring his or her unique perspective to the selection process. It is only by considering the opinions of all our team members, that the committee is able to attract those candidates with the highest probability of success.

Interviews will take place on:

- Monday, March 11th (9:00 am - 12:00 pm - to be confirmed) - Non-Quebec Canadians and International applicants - DMD
- Wednesday, March 13th (8:30 am to 12:00 pm - to be confirmed) - Candidates recognised as Quebec residents - DMD
- Friday, April 12th (8:30 am to 12:00 pm - to be confirmed) - Cegep applicants - DENT-P (speaking French would be an asset for that day)
- 

If you are available, please let me know as soon as possible since only five to six students per day are needed. If you could also confirm if you are able to speak French well enough to properly evaluate applicants, that would be greatly appreciated.

I know that you will find this to be a very valuable and rewarding experience.

Thank you

Marie-Claude
