

*Outstanding Alumnus Award*

*It is with great pleasure that I inform you that Dr. Herb Borsuk has been selected as the Faculty of Dentistry recipient of our Outstanding Alumnus Award. As many of you will know Herb was the Director of the Division of Endodontics for many years, Chairman of the Faculty Advisory Board for years and has been a tireless supporter of the Faculty for decades. His service to the Faculty has been truly remarkable and we are very pleased to honour him with this award.*

*The Dr. Herb Borsuk Award for excellent patient care in the GPR program*

*It is also my great pleasure to inform you that Dr. Marie-Claude Chouinard, resident at the Montreal Children's Hospital has been selected as the Faculty of Dentistry's recipient of the Award for excellent patient care in the GPR program, in recognition of having demonstrated excellent overall patient management skills, clinical care and judgment as GPR residents.*

*The Outstanding Alumnus Award and the Dr. Herb Borsuk Award for excellent patient care in the GPR program will be presented to the awardees at the Faculty Reception associated with the Journées Dentaires du Québec on the evening of May 28<sup>th</sup>, 2012.*

*Please join me in congratulating Herb and Marie-Claude for their outstanding contributions to the Faculty and to patient care.*
