

REGISTRATION FOR RETURNING STUDENTS

Apr 9, 2013 to Aug. 13, 2013

All Confirmation of Registration for all students must be done via MINERVA by August 13th.

Please confirm registration on **Minerva - REGN RCDE (CRN 2330)** for the Fall 2013 Term. Once you have confirmed your registration, your courses for the following academic year will be automatically attached to your record over the next few months.

IMPORTANT: Returning students who fail to register in at least one course by Tuesday, August 13, 2013 may continue to register after this date and until the end of the registration period, but with late registration penalties.

Access to Minerva for registration functions will be denied until debts are paid in full or arrangements made to settle the debt. Students can view their fee account holds via their Minerva Account. Students who register for courses for the fall and/or winter terms and, subsequent to registration and before the end of the Fall term late registration period, incur debts which relate to a previous term, must make payment arrangements with either the Student Aid Office or the Student Accounts Office. Failure to do so will lead to the fall/winter/summer term course registration being cancelled.

STUDENT CONTACT INFORMATION

The Personal Menu on Minerva houses forms to view and update your mailing address and phone numbers, emergency contacts, email account, and name. It is important that all students verify their mailing address and Montreal phone number on MINERVA and make any necessary updates. <http://www.mcgill.ca/minerva-students/>
