

The **Faculty Development Office** is pleased to invite you to a workshop on

Burning Silos: Building Partnerships Between Basic Scientists & Health Professionals

Tuesday, March 25, 2014

Thomson House, 3650 McTavish Street

Proposed Agenda

- 12h45** REGISTRATION
- 13h00** WELCOME & INTRODUCTION
- 13h15** PLENARY PRESENTATION: Burning Silos: Building Partnerships between Basic Scientists and Health Professionals
- 14h00** ICE BREAKER
- 14h15** SMALL GROUP SESSION I: Identifying & Building Effective Partnerships
- 15h00** COFFEE BREAK
- 15h15** SMALL GROUP SESSION II: Collaborative Research
- 16h00** CONCLUSION & EVALUATION
- 16h15** ADJOURNMENT

Workshop Goals

Following this workshop, participants will be able to: understand the differences and potential connections between basic science (bench) and community clinical practice (trench); understand how to create collaborative research teams; identify knowledge gaps and create relevant translational research questions.

Please register online at: www.mcgill.ca/medicinefacdev

Or return the registration form below as soon as possible, but no later than **March 4, 2014**.

This workshop is an accredited group learning activity as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada (Section 1) and meets the accreditation criteria of The College of Family Physicians of Canada (MAINPRO-M1).

Burning Silos: Building Partnerships between Basic Scientists & Health Professionals - March 25, 2014
