

Hi All;

Since it is getting close to the end of the year, Jessica from Heine will be coming in to see if you need anything for your loupes.

Please put it into your agendas and make note of the date (April 16th) . I have asked her to be here at 11:15 which will be the end of your Pedo. Clinic.

If any of you need adjustments and/or parts, please stop by to see her. We will book the tutorial room for her visit.

Thank you,

Tracy Bérubé
