

Dear Dental Students,

Would you be interested in promoting the program and sharing your experience with prospective applicants? Would like to conduct tours of the new facility and meet prospective students during recruitment activities and on Interview Days? You might then want to consider joining the Dental Student Ambassador Program for the next academic year!

The main objective of this program is to connect newly admitted students and prospective applicants with current dental students to learn more about their experience in our undergraduate dentistry programs. A student's perspective can be very helpful and valuable to applicants when trying to decide whether or not to apply to McGill's Faculty of Dentistry.

Interested in learning more about the Student Ambassador Program? Please visit this section of our website: <http://www.mcgill.ca/dentistry/academicaffairs/student-ambassador-program> or talk to one of our current Student Ambassadors: <http://www.mcgill.ca/dentistry/prospective/undergrad/student-ambassadors>

Applications must be submitted through our electronic form by Friday, August 15th.

If you have any questions about this program, do not hesitate to contact me at marie-claude.loignon@mcgill.ca or 514 398-7203 x 1-00063.

Sincerely,
